

**Revelation Chapter 6**  
**May 20, 2021**

**Scriptures**

2nd Thessalonians 2:6-12

Zechariah 1:8-11

John 3:20

Genesis 9:13

John 5:43

Daniel 8:23-25

Daniel 11:36-39

These next 4 HAVE to be King James or a word for word.

Ezekiel 38:7 Has to be KJV or a word for word.

Daniel 11:40 Has to be KJV or word for word

Ezekiel 38:4 Again KJV or word for word

Ezekiel 39:2 Also KJV or word for word

Modern translations change words to make them easier to understand and they MISS totally why clunky words were used in the first place.

Prophets could have used easier words, chose words that convey meaning.

Jeremiah 24:10 Here NIV is good.

Ezekiel 14:21 NIV is good.

## Outline Revelation Chapter 6

### Going inside the Scroll

- This scroll is sealed by 7 seals.
- Judgements & punishments from GOD.
- Designed to force every human being alive at this time to choose.
- After each event within GOD'S scroll, people have a chance to repent and return to the Lord.
- For those whom believe, "to Heaven" they are received.

### This is what we know:

- The "Holy Spirit" is restraining evil.
- Believers will be removed before evil is fully released upon the earth.
- The greatest revival.
- Satan will bestow upon his antichrist all of his supernatural gifts.
- Through delusion people will believe the antichrist.

### Revelation 6:1-2

- The First Seal: The White Horse
- The first of the 4 horsemen of the Apocalypse.
- The Holy Spirit is no longer traveling and patrolling the Earth.
- Satan, through the antichrist, is installing his demonic reality and morality.
- From a revived Rome, a future leader will arise.
- The white rider goes out with a small bow in his hand without any arrows.
- The antichrist will for a time bring peace in the Middle East, between Jew & Arab, Judaism & Islam.
- All false religions of all time will unite.
- Each Psalm 83 & Isaiah 17 describe yet more trending hatred and terrible future wars between Israel and her Arab neighbors.
- The antichrist breaks his word.
- The Jewish survivors who then call upon the name of Jesus, will run to the Jordan/Petra areas.
- Scripture indicates that the antichrist will be the greatest speaker since Jesus Christ.
- Today every evil devilish ploy, is deployed, by corrupt politicians to institute a new one world order.
- Arrogant, proud, and boastful are not descriptive enough to describe the antichrist.

- The antichrist will naturally be a Satan worshipper and publicly pour wealth upon the devil and those who follow Lucifer.
- The antichrist will attack other world leaders and with Satan's help overcome them.
- Antichrist sells Israeli land for profit. For the "Land" in scripture is always a reference to Israel just like "Sea" is always in reference to us, the gentile peoples.

#### Revelation 6:3-4

- The Second Seal: The Red Horse
- The Greek word 3162 *macharia* (the 2 foot Roman Legion sword) is used to describe the red horse sword.
- Parallel of prophecy each Daniel & Ezekiel describe.
- The antichrist's pseudo false treaty is already falling apart.
- King of the south is always from Israel's perspective: Arabia, Egypt, meaning Arab lands.
- The King of the north from Israel is Russia
- The subject of 'him' is still Magog & the Russian Shiite alliance.
- The armies from the north are already in the south, again this is from Israel's perspective.
- Why kings turn on the antichrist and plunder Israel? Whom they initially rode out to protect.

#### Revelation 6: 5-6

- The Third Seal: The Black Horse
- Devastating inflation and famine come as a result of war.
- *Whereas do not damage the oil or the wine...* the Apostle John is relating to us that during this time of need, those who are wealthy and follow the antichrist, will be well provided for and protected.

#### Revelation 6:7-8

- The Fourth Seal: The Pale Green Horse
- In Greek this horse is the only one described by two words: Pale and Green.
- When economy and ecology are destroyed by war with inflation, often disease and death follow.
- This rider is death with Hell to follow.
- The 4 horsemen will continue as trends throughout the entire Tribulation.
- The 4 horsemen are symbolic of the 4 classic judgements GOD has used in the past to disperse Israel when they have strayed from Him.
- Then & again prophetic fulfillment.
- This history of the 4 horsemen will for a third and final time happen upon Israel by the antichrist.
- The word John uses now is the Greek word # 4501 which is

an Arab's long curved sword. Get that # 3162 vs 4501.

- White, Red, Black, & Pale Green - John two thousand years ago just gave to us the 21st century colors of every Islamic state on our planet Earth today.

Revelation 6: 9-11

- The 5th Seal: Martyrdom of the Saints
- Islam will be a key ingredient of the end times one world church.
- After the Rapture will still be the largest time of revival in Christian history.

Revelation 6:12-17

- The 6<sup>th</sup> Seal
- John as a first century man is describing a nuclear confrontation.
- In the Tribulation it won't be world war one or world war two people think of; it will be Nuke war 1 or Nuke war 2.
