Revelation Chapter Nine Outline

Review

- Chapter 8: John informs the reader that the remaining three Trumpet judgements are not aimed at the Earth but at its people, specifically at the unbelievers.
- Through the Seal judgements GOD allowed the political, social, & immoral agendas of the demonically powered antichrist to play out upon the Earth from Israel's perspective.
- Each Seal predicts the consequences of war, famine, & plague, as the result of the policies of the antichrist.
- The first 4 Trumpet judgements are cosmic natural phenomena to plague mankind at this time. Again with exact predictions of these events.

Overview

- The 3 remaining Trumpet blasts are called Woes upon the Earth.
- Jehovah will switch to the unexplainable supernatural, proving that Satan and his antichrist are powerless before Almighty GOD.
- The people alive at this time will have to decide their eternal fate.
- The return of Jesus draws nigh.
- Woe in scripture always means calamity, suffering, misfortune, grief or even death.

Revelation 9:1

- The 5th Trumpet and 1st Woe Judgement
- The Abyss: No suitable place for evil spirits each demonic and now human meaning the eternal souls of the lost unsaved could be found in Heaven or on the Earth or even imagined.
- Those fallen angels confined in hell at this time are the ones who have broken GOD'S rules of the Spiritual warfare that is raging all around us every day.
- Revelation 9 is a combination of the literal and the allegorical.
- When we know who the allegory is, a place, people, person, or event, then the prophecy of the allegory for them is literal.
- Heaven: Greek is number 3772, which means the abode of GOD, not the sky above our heads but rather literally from Heaven.
- The falling star is Satan and he was given the key to hell.

Revelation 9:2-3

- 1/3 of the day and night were struck.
- The 5th Trumpet: Satan opens what is called the shaft of the Abyss to hell.
- Jesus has seen Revelation before, the ending will not change. It is done.
- Lord gives permission for Satan to unleash Hell upon the Earth.

- GOD is now going to demonstrate what it will mean to die apart unsaved from Him.

Revelation 9:3-6

- This parallels the 8th plague upon Pharaoh found in Exodus 10:12-15.
- These locusts are physical creatures that attack the spiritual soul of our existence.
- They are winged tormentors from Hell.
- Only permitted to attack unbelievers.
- Stings lasting for 5 months.
- The word forth (locusts came forth) in Greek is word 1519 which means prepared for a purpose.
- In the yearly Princeton Press of 1946: When death is the greatest danger one always hopes for life. But when someone is presented with an even more dreadful danger, death then becomes a means of escape.
- Scripture states that people will long to die in order to escape the torment of these demonic locusts,
- Believers alone are Spiritually Alive by the Holy Spirit on the inside.

Revelation 9:7-11

- Locusts are indestructible.
- The Destroyer, whose name in Hebrew is Abaddon and in Greek is Apollyon, is so notorious that he is one of the few demons who is named by name in the Bible.
- In GOD'S kingdom the former things shall be forgotten.
- Those in hell will realize they are totally forgotten. Forgotten that they had ever existed at all, by GOD and anyone in Heaven.
- Apart from a select few it is not normal for a fallen angel or a human lost to Hell to be remembered at all.
- The destroyer is permitted to torment the unsaved as if they were already in Hell. But he is not allowed to kill them.

Revelation 9:13-15

- The Sixth Trumpet: 2nd Woe Judgement
- Prayers of the Saints are being answered by this trumpet.

Revelation 9:16-19

- These 4 fallen angels are confined right now to be released after the 5 month plague of supernatural demonic locusts has abated, and they are headed toward the east as instructed by GOD.
- The antichrist is attacked by the kings of the east.

Revelation 9 :17-19

- Greek Translation: Two myriads of myriads, and I heard the number of them, and I saw the horses in the vision and those sitting on them, having breastplates fire colored and dusky red and brimstone like, and the heads of horses as heads of lions and out of the mouths of them proceeds fire and smoke.
- The Jacinth stone is red.

Revelation 9:20-21

- The word used for magic arts or sorceries in the original Greek is # 5331 is Pharmakeia from which we get the word pharmacy.
- Life in the 21st century rife with false worship and addictive drug use.
- The antichrist is seemingly slain by the kings of the Far East.
