Revelation 16 Outline

Overview

- The end of mankind's and Satan's system or order of things.
- Overview of the last 3 ½ years of the Tribulation also known as the Great Tribulation.
- The Biblical model from Genesis unto Revelation.
- Chapter 16 is latter half of the final week of law for Israel.
- The timeline of this final week is found here in Revelation.
- Chronologically the completion and destruction of every form of human government.
- GOD'S Wrath finally being poured out against those rebellious & sinful in the form of complete loss.

Revelation 16:1-2

- The first Judgement Bowl of GOD'S Wrath.
- Only the 7 Angels of the 7 Church Ages are ever mentioned together as a group.
- Those who trust the beast, the antichrist, are covered head to toe by painful seeping ulcerous malignant sores.
- The plagues the Lord used against Pharaoh of Egypt to release captive Israel often parallel the Judgements of the Great Tribulation of Revelation 16.

Revelation 16:3

- The second Judgement Bowl of GOD'S Wrath.
- Seas turned to blood.
- The oceans and all sea life at this time are destroyed.
- By this you will know that I am the LORD.

Revelation 16:4-7

- The third Judgement Bowl of GOD'S Wrath.
- Rivers and streams became blood.
- Famine will be so severe that cannibalism and the consumption of human blood will be openly practiced.
- There will be a shortage of food and water on a global level never seen before.

Revelation 16:8-9

- The fourth Judgement Bowl of GOD'S Wrath.
- Intense heat from the sun.
- In a world with no water the Lord intensifies the sun, causing people to curse. They now know that GOD is the one in control.
- People have so hardened their hearts that they are unredeemable/ unreachable.

Revelation 16:10-11

- The fifth Judgement Bowl of GOD'S Wrath.
- The kingdom plunged into darkness.
- Total darkness means no source of light will work.

- The Greek word John uses for darkness within the antichrist's kingdom headquarters is the Greek word 4656. This word has 2 meanings and each are present in the Bible as punishments for disobeying GOD. The first is to obscure, as in to make dark-no light. The second meaning is to make blind. So it's possible those within the antichrist's residence of power are physically blinded.
- The people of the antichrist continue to curse Almighty GOD in an actual admission that their false g*d, the antichrist possessed by Satan has no power over the Almighty Creator. Yet they writhe in pain cursing GOD'S Holy name.
- Now are you beginning to understand how a Holy and Just GOD, albeit a Loving & Merciful GOD, will ultimately send such spiteful, vengeful, & full of malice people, beyond Himself and those whom love Him, from His and our presence!

Revelation 16:12

- The sixth Bowl of Judgement Bowl of GOD'S Wrath.
- Dried up the Euphrates; preparing the way for the kings from the East.
- The 6th Bowl is the time after the nuke exchange of the 6th Trumpet in which the antichrist was seemingly slain and Satan indwelt him.

Revelation 16:13-14

- The remaining details of the 6th Judgement Bowl of GOD'S Wrath.
- Satan sends out 3 demons unto the 3 remaining super powers of the world.
- Impure spirits resemble frogs.
- These 3 are: The antichrist's Revived Rome of the Middle Eastern European Empire; the Magog and Persia, the Russian, Iranian alliance; and the Kings of the East led by Red China.
- There were 4 sides, the Kings of the south, the Arab nations, have been subdued.
- This final war clearly has 3 sides with each hell bent upon total annihilation and domination.
- The arrival of Jesus Christ and those who have been Raptured into Heaven is imminent.

Revelation 16:15

- Here John is quoting each Isaiah and Jesus's letter to the Church of Sardis.
- Remain clothed (faithful) as to not be caught naked (unprepared).

Revelation 16:16

- Armageddon is the historic battlefield of Israel which is 14 miles wide and 20 miles long.
- There have been many turning points in battles here.
- The final: the antichrist gathering all the armies of the world to be destroyed by Jesus at His return with splendor and much glory.

Revelation 16:17-18

- The seventh Judgement Bowl of GOD'S Wrath.
- Divine signs of Almighty Jehovah's power and majesty-beyond measure and compare.
- Days had been reduced from 24 to 16 hours.
- Now is the time in which GOD restores the 24 hour day by slowing the Earth suddenly by 1/3.

Revelation 16: 19-21

- The conclusion of GOD'S Judgement Wrath.
- Jerusalem is split into 3 parts.
- The antichrists headquarters of Babylon is judged by GOD.
- John gives the timeline of Armageddon while the Old Testament prophets have the details.
