## Revelation 17 Outline

### Revelation 17: 1

- Biblical text that compares false worship to Spiritual Prostitution.
- The Jewish New Testament completed by Jews for Jews who believe in Christ Jesus as their Savior refers to the future system of total inclusion of all beliefs as the great prostitute.
- Her name called by John in the original Greek is actually Harlot.
- A Harlot is a married woman who has strayed from her husband and is employing the industry of prostitution, giving others pleasure for her personal financial gain.
- The Harlot is supposed to be the Bride of Christ, but she has ran off still claiming Jesus' name, living a life of total shame.
- All faiths will be combined into one system of control: The End Times organized official religion.
- This system will be centered in Rome in what we call the Vatican.
- Unification will happen when all people of true believing Christian Faith have been removed.

### Revelation 17:2

- Sexual immorality and spiritual infidelity are linked in what is Biblically called the Spirit of Jezebel.
- The Spirit of Jezebel by definition consists of false Church leadership and doctrine of Apostasy.
- Prostitution in Corinth.
- Having long hair publicly separated the GODLY women of Christ from the immoral pagan women.
- Jezebel-our parallel is that the harlot is the system the antichrist will rise though.
- Global tithes and taxes, fees and the income from vices will also be hers.

### Revelation 17:3

- The antichrist will call himself by a blasphemous name.
- The Beast is another name for the antichrist.
- The antichrist takes 3 of the 10 nations, kingdoms, or regions thus having 7 heads and 10 crowns.
- The antichrist becomes majority leader by controlling 3 of the 10 members.
- The Harlot woman riding upon the scarlet beast.
- Even though the Harlot thinks she is using this new leader, the antichrist intends to use the Harlot as a prostitute.
- This End Times Harlot System will endorse and authorize the coming rejection of all GODLY morals and behavior.

### Revelation 17:4-5

- The False Pope.

- Protestant view of the antichrist is that he will be a secular leader.
- At this time things like war and oppression go from bad to worst.
- Again Protestants believe he will come from a socialist environment for the color of the beast

or antichrist is socialist red. Whereas, the colors of the 4 horsemen which are representative of the antichrists characteristics and policies are indeed the 4 colors of Islam: White, Red, Pale Green & Black.

- A religious leader or a political conquering figure or a combination of both. Only GOD knows!
- A name upon a forehead denotes ones affiliation.

Revelation 17:6

- Like Jezebel the Scarlet Harlot will permanently silence those of Faith in Jesus who oppose her.
- Scarlet Harlot, with the cup in her hand, signifies her drunkenness upon the blood of the saints appears to be symbolic and literal.
- John mentions that he was greatly astonished by this and he quickly continues on because this is so monstrous.

Revelation 17:7-8

- The antichrist will be seemingly be slain and be revived to life.
- This will fool all of the unsaved.

Revelation 17:9

- Rome is known as the city upon 7 hills.
- John referenced for clarity literally over 800 other Biblical passages within Revelation.

Revelation 17: 10-11

- Revelation 6-19 are from Israel's perspective.
- The Bible does detail for us 7 Kings who were over Israel in which by the time of John 5 had fallen. They were: Egypt, Assyria, Babylon, Medo/Persian Empire, and the Greek Empire.
- These 5 were complete and historical relics from the past by the time of John.
- Rome was the 6<sup>th</sup>.
- The 7<sup>th</sup> will be Rome part 2.

Revelation 17: 12-13

- The ten Kingdoms will have an ambassador like a representative to the United Nations as we have today for example.

- John is stating that at a crucial moment of crisis, for one single time, these 10 ambassador representatives at the time of the death and revival of the antichrist will have the authority to implement policy.
- They make a revived antichrist the new Emperor of Rome.

Revelation 17:14-17

- John states all of this will be conquered and dispersed by Jesus.
- John is giving in Revelation 17, and again in 18, details of the Scarlet Harlot and of the Beast and how they fit into the final betrayal.
- The followers of the antichrist will live by consuming the former followers of the End Times Religion and those who come to Faith during the Great Tribulation.

Revelation 17:18

- When the time of the Harlot ends, the total rule of the antichrist begins.
  
- Rome ruled over the world at John's time. The End Times Harlot will be Rome.
